WHITBY & DISTRICT WAR MEMORIAL COTTAGE HOSPITAL

ANNUAL REPORT

The Committee, in presenting the Report for the year ending 31st December, 1939, desire to express their cordial thanks to all who have rendered any kind of assistance in supplying Surgical and Medical aid to the inhabitants of this town and district.

FINANCE.—The Statement in this Report gives full details of Income and Expenditure, and it will be noted that the Income has been insufficient to meet the Expenses. This unfortunate position is entirely due to the cost of equipping the Hospital with various appliances and protection of the property. The Ministry of Health is contributing a portion of the expenditure, but the greater part of it is a charge on our own resources.

GARDEN FETE.—The arrangements for holding a Fête in the Hospital Grounds for the purpose of raising funds for the building of Extensions had to be abandoned owing to the Crisis, but thanks to the determined spirit of the Ladies' Committee and several other ladies not directly connected with the work of the Hospital, a Sale of Work was held in the Church House on November 29th, and from this effort the sum of £425 4s. 11d. was realised. The Committee express their deep appreciation and thank all those who helped in any way. We are still, however, a long way short of the objective for which we have set out, and it is hoped that conditions will so improve as to permit the Extensions. More beds are badly needed, but the stumbling block is lack of MONEY!

To our President, the Marquis of Normanby, and members of the Staff who are on active service, all good wishes are extended.

The Committee again desire to place on record their deep sense of appreciation to the Hon. Medical Staff, the Consultants, the Matron and the Nursing Staff.

It is with profound regret that we refer to the loss we have sustained by the death of our worthy Chairman, the Rev. Canon Sykes, O.B.E., who always took such a kindly interest in the affairs of the Hospital. The following supporters have also passed on:—Sir Sidney Herbert, Bt., Mr. W. Edwards, Mr. T. K. Smith. The Committee beg to offer sincere sympathy to the bereaved relatives.

EGG DAY.—The Collection in 1939 was disappointing, and the Committee earnestly appeal for further interest. This and other similar efforts made up of small contributions go to the making of greater results.

The following legacy has been received:—Sir Sidney Herbert, Bart., £250. This sum has been invested, and the income derived therefrom will be applied for current expenses.

The Committee desire to thank all promoters of Dances, Whist Drives, Concerts, Collections, and various other efforts to raise money. It is very gratifying to read the results thus attained, and it is realised that a great deal of hard work is often involved in organising such projects.

LINEN LEAGUE continues to render generous assistance. This Committee and Hon. Secretary are simply wonderful.

CONTRIBUTORY SCHEME.—This matter is now under consideration by the Committee, and it is earnestly hoped that in the current year it will be possible to inaugurate a scheme similar to those already operating in towns nearby. For some years past a systematic collection has been made in several shops, offices, and works, but this does not by any means include all the people who may have to seek treatment at the Hospital.

The Committee gratefully acknowledge the services of the St. John Ambulance Brigade and the Motor Ambulance Detachment, members having devoted considerable time in conveying patients to and from the Hospital, they are always ready and willing to give their help. Appreciation is also expressed to the auxiliary nurses, who have, on several occasions, shared in the nursing, and in this way have qualified for enrolment on the voluntary staff.

TOC H.—On several occasions Toc H members have given valuable help—especially with the sale of Tinfoil. Again we desire to express thanks also to those who spend much time in collecting this commodity.

HOSPITAL SATURDAY.—Congratulations to the Ladies' Committee on the success of this event, and thanks to the collectors, subscribers, and the many kind friends who send fruit, flowers and vegetables for sale. It is pleasing to find that a collection of this kind is so heartily supported, and it certainly gives encouragement to continue.

The Committee feel it necessary to make a further appeal for very generous support, and they earnestly invite new subscribers. These are difficult times for everyone, but if we all pull our weight the debit balance will soon disappear. Please do not let this appeal be unfruitful!

FORM OF BEQUEST

The following form of bequest is suggested for the guidance of those who may wish to aid the Charity by Will.

"I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, for the general purpose thereof, to be paid within calendar months next after my death without interest. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof."

Or in the alternative if Testator prefers an Endowment.

"I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, to be paid within calendar months next after my death without interest, and to be invested on permanent security, and the income of the investments to be applied by the Management Committee for the time being of the said Institution annually, and not by way of anticipation to the general purposes of the said Institution in such manner as the said Committee for the time being of the said Institution may deem expedient. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof."
